IDENTICAL twins Connor and Lachlan Wilkinson were the goalscorers in Central Coast Lightning's under-13 Super Youth League grand final win on Saturday.

Lightning coach David Hurley said the 2-1 win over premiers Sydney University was a massive achievement.

"It was truly a team effort, I couldn't isolate any one player, they were all invaluable," Hurley said.

Lachlan took a well-placed shot to secure victory.

It's been a big finals series for the Lightning, who scored a comeback win in the qualifying final, before beating Sydney University in a penalty shoot-out in the major semi-final.

The grand final win capped off 10 months of hard work for the youngsters, who started training in December.

There were some anxious moments for the Dragons in the second half.

"They were beating us to the ball and seemed a bit hungrier. We had to lift our game and we did. The goal came at a good time and in the second half we had a few chances to kill them off and couldn't score."

Yule said the most pleasing aspect of the win was the defensive performance.

"Not just in the final, we didn't concede a goal throughout the competition," he said.

Gosford looked the more dangerous side as Umina backed off their intensity 30 minutes into the game and missed an opportunity to level the score.

Unable to capitalise on their opportunities, the conclusion of extra time could not separate the two squads and the penalty shoot-out was the only way to decide the winner.

Umina's goal came in the 103rd minute of the match, after a long period of extra time.
